2024

JUNE 27 - 30

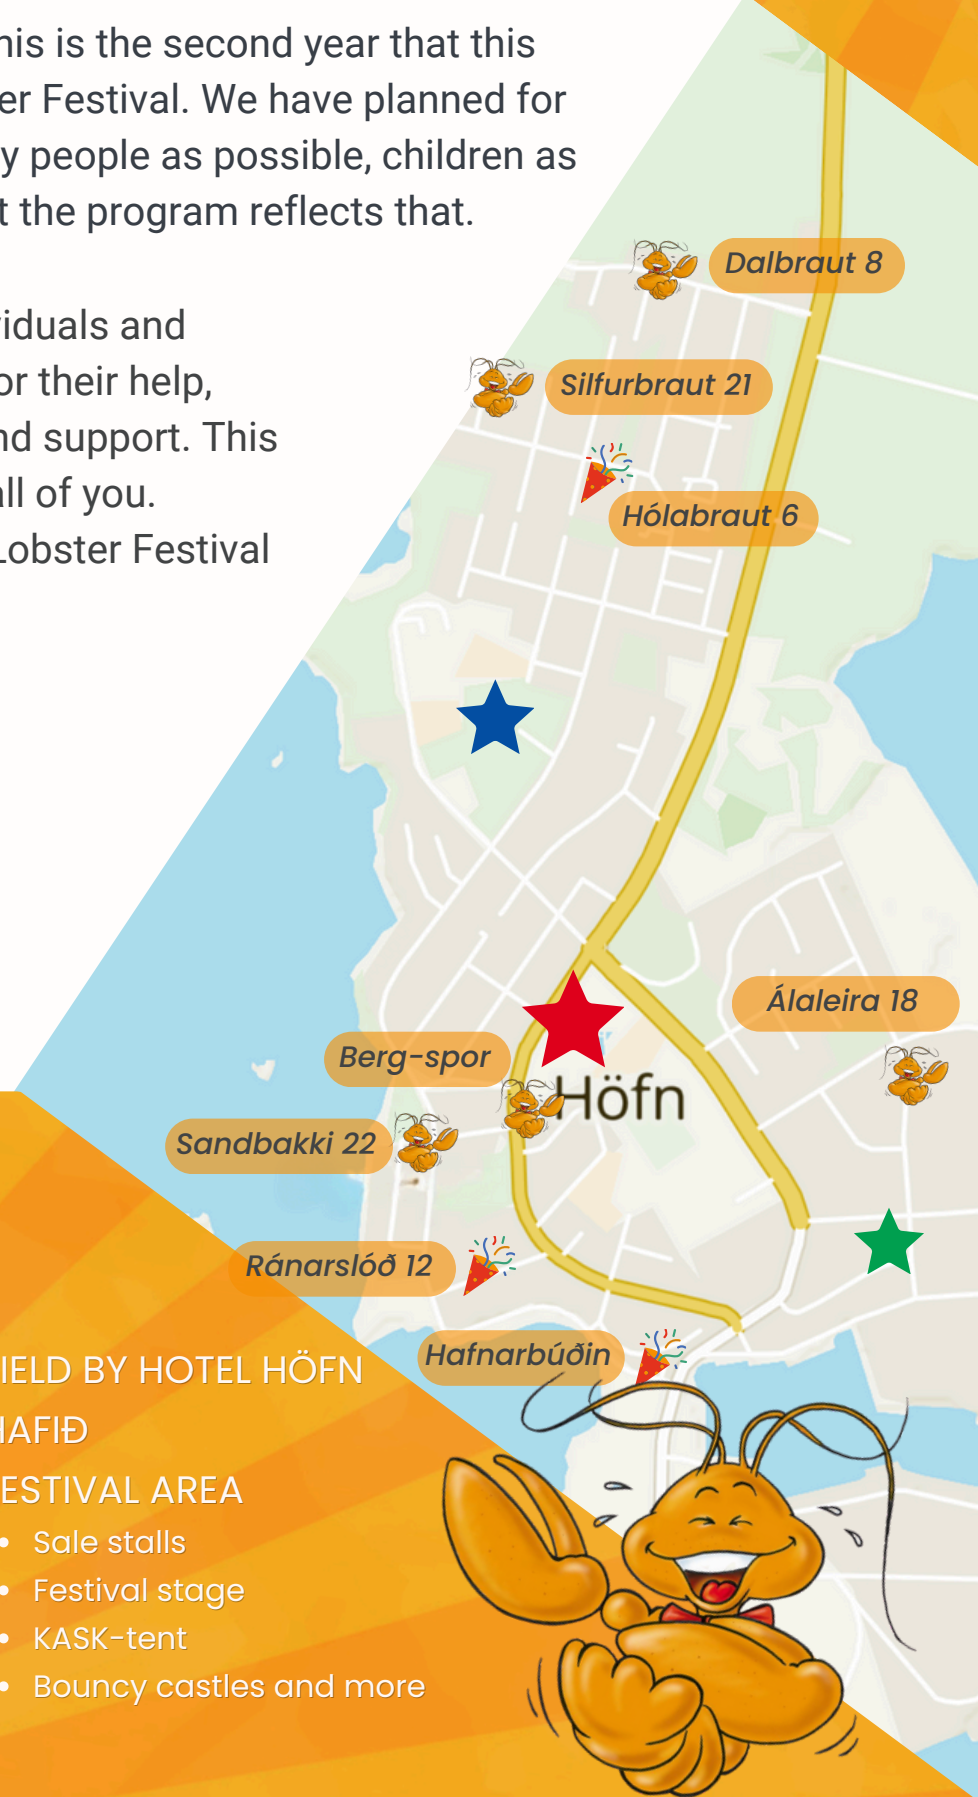

# LOBSTER FESTIVAL COMMITTEE

Dear Lobster Festival guests! This is the second year that this committee organises the Lobster Festival. We have planned for the festival to appeal to as many people as possible, children as well as adults, and we hope that the program reflects that.

We would like to thank the individuals and companies who supported us for their help, encouragement, good advice and support. This would not be possible without all of you. Have fun and be careful at the Lobster Festival 2024. Long live the lobster!
